### Fast-growing Welsh firm working with the biggest in the business

Vizolution, is a SaaS (software as a service) company helps enterprises streamline complex customer journeys by replicating the qualities of face-to-face interactions within remote channels.

The **Swansea** firm counts RBS, HSBC, Santander and O2 are among its customers.

At the end of 2018 it secured £10m in funding from three of the world's largest banks.

Santander Consumer Finance and Royal Bank of Scotland have joined HSBC as investors in Vizolution. Each of these banks is an existing Vizolution client and uses its transformative suite of solutions to offer effortless customer experiences, both domestically and internationally.

**Private and Confidential**

It was also listed in the 18th annual Sunday Times Hiscox Tech Track 100 league table, which ranks Britain's private technology, media and telecoms (TMT) companies with the fastest-growing sales, as was one of only three Welsh companies to make the list.
